TRANSFER RULE

❖ *No one has the authority to save PVs OR to transfer PV to other distributors in any case.*

❖ *The last date of a particular calendar month will be the closing date for that particular month*

❖ *Note- Only those distributors who have already achieved the rank of Director and above can transfer his PV to someone in his group provided he has done his personal 50 PV for that particular month and his group volume is more than 400 PV.*

❖ *For Service Centers-- It is strictly prohibited for any service center to save PVs of any distributors. The service centers must send to the head office all the PVs whatever done on a particular month at the end of the month before closing date.*
